CSE326: INTERNET PROGRAMMING LABORATORY

K21PG - PROJECT REPORT

PROJECT TEAM NUMBER	K21PG_CSE326_04
PROJECT TITLE	Preparation buddy
PROJECT TEAM MEMBERS (REGISTRATION NUMBER – UID & NAME OF THE STUDENTS)	1. Tanishk Yadav (12101553)(project leader) 2. Anish Mainali (12101612) 3. Govinda sha(12101686)
PROJECT TEAM LEAD CONTACT DETAILS	PHONE NUMBER: 7413938042 MAIL ID: tanishkyadav933@gmail.com

INTRODUCTION:

Preparation Buddy is a note-sharing non-profit website created for the betterment of students from different countries and universities around the world. It is a small effort to introduce education online and help the student community. With the help of a preparation buddy, anyone can contribute to making the notes available on the website better. With the help of a user-friendly interface, we are trying to provide notes available with us as well as take notes from all students who want to help others with their valuable notes and other student materials. It is a little project tried by a group of students from LPU B.Tech CSE students. With the help of other, we may take this website to a new height which may help more students who cannot effort books or who wants short cut and understandable easy notes. It is a students community website based on giving and taking and helping every one of the community as well as own self.

Nowadays these types of websites are very important for the students due to the online situation and due to which students with fewer materials to study cannot do better in their academic so at that time this website preparation buddy which is a website for the students by the students of the students by sharing notes and study materials.

MODULE DESCRIPTION:

1) **Home:**
   It consists of the dashboard which has an overview of our notes sharing website Preparation Buddy i.e. Home, Contact, Feedback, About us, Sign in, register, Notes, and for the introduction and sharing the motto behind this website we have made learn more.

2) **Notes:**
   It consists of the information of the available notes provided by the admins of our websites and through here a student can download as well as preview the notes of the different subjects in a simple and friendly manner. All the notes provided are handwritten and clean and we tried to upload as much as we can in here to help everyone.

3) **Contact:**
   This page consists of the link to social media like Gmail as well as the contact numbers through which you can be near to us and help or get helped. Through this page, a user can suggest or asked questions to us directly can help us to improve our website in meantime.

4) **Feedback:**
   Through this page, a user can give our website rating as well as share their feedback about our website how they feel to use this, and is this small step of work was really helpful to everyone or not. And through here they can share their problem and hope for solutions from us.

5) **Learn more:**
   This page is the straight indication of the main reason why this website was made in the first place and what is going on here. A user can know more about our website and our motto and we would be honoured if anyone from my fellow students connects us in these pure moments of students for creating a student community that is pure of the students, for the students, by the students.

6) **Sign in and Register:**
   This page is indicating the sign-in to our website through which students can explore our amazing notes and access them for free which is the login page for the website for the ongoing users. Likewise, for the students who had not registered on our website, we have provided the registration link through which a student can be a part of this moment of students for knowledge.

7) **About Us**
   This page helps users to find out the information about the creators of the website and the personal contact number and the education of the each creator with their faces as we believe in transparency.

About Preparation Buddy

Preparation Buddy is an online note sharing platform where users can download notes or read online in a real-time collaborative environment.Preparation Buddy is a note-sharing non-profit website created for the betterment of students from different countries and universities around the world. It is a small effort to introduce education online and help the student community. With the help of a preparation buddy, anyone can contribute to making the notes available on the website better. With the help of a user-friendly interface, we are trying to provide notes available with us as well as take notes from all students who want to help others with their valuable notes and other student materials. It is a little project tried by a group of students from LPU B.Tech CSE students. With the help of other, we may take this website to a new height which may help more students who cannot effort books or who wants short cut and understandable easy notes. It is a students community website based on giving and taking and helping every one of the community as well as own self.

Nowadays these types of websites are very important for the students due to the online situation and due to which students with fewer materials to study cannot do better in their academic so at that time this website preparation buddy which is a website for the students by the students of the students by sharing notes and study materials.
